

Test Certificate

This certificate confirms that the

EMBODY CHAIR WITH ARMS

Supplied by

Herman Miller Limited

has been tested at FIRA International Limited and successfully satisfied the applicable test requirements from:

BS 5459-2:2000 + A2:2008

According to the Standard the Embody Chair with Arms is therefore considered to be structurally suitable and sufficiently stable for use as an office task chair for up to 24 hours a day by persons weighing up to 150kg.
